

Kevin Bickford
Owner of Fox River Tire and Auto

Your Health & Safety is Always Our Priority!

We continue to do all that we can to keep our customers and employees safe not only in our shop but in your car as well!

Sanitation: We sanitize all keys as we receive them and immediately before returning them, using gloves while we work, and we're fully wiping down and sanitizing every vehicle that comes into our shop.

Reducing Contact: If you don't need our pick-up and drop-off service but you'd like to reduce contact, you have the option of dropping off your keys in our after-hours drop-off box and picking them up using our key lockers.

Valet Service: If you would like to request valet service, just give us a call and we will schedule a pick up for you. 630-584-0655.

Social Distancing & Precautions: If you come into our shop, know that we are taking the utmost precautions to keep Fox River Tire and Auto clean and fully sanitized.

Our community is incredible. We will get through this together...we always do!
